

1st NIHONBASHI MEDICAL INNOVATORS WORKSHOP (Tentative)

[Date] Thursday, December 15, 17:00-18:30 (Open 16:30)

[Venue] Nihonbashi Life Science Building 2F

[Language] English

[Hosted by] Nihonbashi Medical Innovators Summit Executive Committee

[Sponsored by] Life science Innovation Network Japan, Inc. (LINK-J)

[Cooperator] UC San Diego Lab to Market Japan

Overview

In this workshop, we would like to provide a platform for discussing the possibility of collaboration between San Diego and Nihonbashi with a focus on biomedical and healthcare innovation in a global perspective, especially the role of each actor such as universities, private companies, venture capital, non-profit organizations, and governments. The Workshop aims at searching for ways to accelerate the exchange of knowledges, human resources, R&D investment and other services in the Pacific region for “Building the Life Sciences Ecosystem”
