

Partnering Event ATST#1

# Advanced Therapy Showcase in Tokyo #1

Call for, Live-Streaming  
Speakers, On-demand  
Exhibitors, and Attendees

**Thursday, January  
21, 2021 JST**

Life Science Innovation Network Japan (LINK-J) steps forward to launch a series of business partnering event "Advanced Therapy Showcase in Tokyo," and is preparing for its first edition planned to be virtually held in Tokyo, Japan, on January 21, 2021. The event features live-streaming plenary sessions, live-streaming company presentations, on-demand business pitches, and pre-arranged 1-on-1 business partnering meetings (1-on-1 meeting arrangements will open until February 17). Any entities or individuals engaged in the field of advanced therapy, namely cell & gene therapy, regenerative medicine, etc., are encouraged to participate in the event to find suitable partner candidates for business development.
